Sir,

Subject:- Acquisition of S.No.15/3 of Sampigehalli Village.

With reference to your letter No.L.13076 dated 27-1-55 on the above subject, I write to furnish the following particulars on the several points observed:-

(a) On the basis of a rate of Rs.4,000/- per acre of garden land which is the rate awarded for similar adjacent lands acquired by the Board, the cost of acquisition of this strip of land measuring 2 guntas and 64 2/3 Sq.Yds. works out to Rs.1,035/- inclusive of the value of the land, the Co-coanut trees and portions of structures with the usual statutory allowance at 15% on the same, but exclusive of interest on this amount if payment is to be made after taking possession of the land.

(b) There are nine fruit yielding Co-coanut trees, and portions of two structures, are coming within the area under reference.

(c) Out of the lands notified as per Government Order No.L.15337/ITB.1-52-72 dated 3-12-52 for this lay-out, all vacant lands have been taken possession of and possession of portions of some more lands with structures thereon are yet to be taken.

(d) Proceedings under Section 17 of the Land Acquisition Act was suggested in view of the urgency of work as recommended by the Engineer Officer of the Board for formation of the road as there was necessity.

In view of the later developments, the question was re-examined and as it was found not necessary to acquire the bit of land, the subject was placed before the Board at its Meeting held on 10-8-55 when it was resolved"that since the 9 survey numbers beyond the garden in S.No.15/3 of Sampigehalli are in a low-lying area and since it was reported that a layout in that area might not be possible as it was a halla, the acquisition of the strip of land through the Co-coanut Garden in S.No 15/3 which was previously proposed to give access to the nine S.Nos. might be deferred for the present".

P.T.O

In view of the said resolution of the Board, the Declaration Statements already forwarded may kindly be arranged to be returned.

Yours faithfully,
